# Complaint (Statement)

- On May 5, 2016, approx 14:45 p.m. while eating lunch in the chow hall cafeteria. A inmate Roosevelt Bigbee Jr. #142829 approached myself in the chow hall demanding (2) packs of cookies. I refused to loan him those (2) packs of cookies. Mr. Bigbee Jr. started making threats; repeatedly sayin if I dont give him the cookies he was going to "robb" me for all of my commissary, then he was going to "stab" me too, when we returned from the chow hall back to the unit Gemini A-pod! I went to the chow hall door to exit the building so I could advise the yard-supervisor of this robbery AND stabbing about to take place in the unit Gemini A-pod. (But) the chow hall doors where locked to keep us from exiting the chow hall. When the doors finally where unlocked, I raced to the front of the line to catch the officer but he was gone away! Well, I witness (Lt. Ward) the yard-supervisor for the day of May 5, 2016. I immediately got out of line to walk across the Big yard to advise the yard-supervisor (Lt. Ward) of the threat to myself made by Mr. Bigsbee! In plain sight out on the Big Yard inbetween the chow hall AND my unit Gemini A-pod. It can be seen on Milestone Video Footage AND Pelco-Video Monitor for the

day of May 5, 2016 at Approx. (14:45 p.m.) myself  
 approach Lt. Ward to advise him of my life being  
 in danger at that time. I advised Lt. Ward;  
 I was about ~~to~~<sup>to</sup> become robbed and stabbed  
 by a inmate name Bigbee, upon my returning  
 from the chow hall back <sup>to</sup> the unit. I was  
 clearly ignored in told to tuck my shirt in, AND  
 to get off (my) grass! I complied by tucking my  
 shirt in AND getting off (his) grass! AND getting back  
 in line as I was told by a high ranking  
 Authority figure (Lt. Ward). I made it in the  
 unit where the pod officer was nowhere to  
 be found! I made it to my cell which the  
 officer left everyone's doors (rigged-up) <sup>MANIPULATED</sup> so he  
 would not have to go around AND open the doors!  
 I raced in my cell 126 Bottom walk-way, to  
 hide my commissary AND to put on my coat to  
 protect myself from an assault with a weapon; to  
 slow penetration down! I exited my cell 126  
 to look around for the officer of the pod so  
 I could warn him of needing protection right  
 then. But no officer was around! Mr. Bigbee  
 then approached myself and started stabbing  
 myself as I had to defend myself the best  
 way I could. I was assaulted (8) times  
 by this MR. Roosevelt Bigbee Jr #142829

INMATE GRIEVANCE (continuation sheet)

NAME of Roosevelt Bigsbee Jr. This "Threat," WAS  
DESCRIPTION OF PROBLEM: MADE in the chow Hall on 5-5-16 by Mr. Bigsbee Jr. The threat was Mr. Bigsbee Jr. Telling me if I did not "Loan" him (2) packs of cookies he was going to rob me for my entire commissary bag when we return from the chow Hall, going back to the pod. I stated to Mr. Bigsbee Jr. I would NOT LOAN him anything. He told me he would see me back at the pod. On the way back to the pod at around 2:45 p.m. on 5-5-16. I approached the yard-supervisor, which was Lt. WARD. I bluntly stated to him: I AM ABOUT to be robbed of my commissary when I return to my pod! Lt. WARD response WAS "Tuck your shirt in and get BACK in line and stay off my grass! I did AS I WAS told. Return to the pod with the rest of the inmates, including the guy Mr. Bigsbee Jr. 5 minutes later I was stabbed (6) times to the point where I almost lost my life. I WAS ALSO robbed of my commissary AND my brand new sneakers. Do to Failure To Protect by CCA and their Employees. This is my solution.

PS. Do to lateness of filing grievance is because it took me a couple weeks to recover from the stabbing. I AM just now gaining my strength to move around.

Reason for requesting Health Service Appointment (BE SPECIFIC):

I turned in a sick call requesting to receive medical attention on 7-9-2016 about the stabbing in my lower right side of my abdominal area causing me great pain. It is a very sharp pain inside my stomach. I was stabilized on May 3, 2016.

I have yet to be seen about this problem I am having.

S.C.C.F.

ON MAY 22, 2016 - Seventeen (17) days after the stabbing AND Robbery took place in Gemini A-pod on May 5, 2016. I filed a grievance because I WAS placed right back in the unit with the individual Roosevelt Bigbee Jr. #142829. Mr. Bigbee was in Skylab-HD-102 ON MAY 22, 2016. I WAS placed in Skylab-HD-201 right above him. I filed a grievance on this issue. My grievance WAS sent back to myself (unanswered) AND I WAS moved to Skylab-HB-213. But in my grievance I stated there should be incompatibles on us both. That was May 22, 2016. ON this incompatible list. Mr. Roosevelt Bigbee was placed as an incompatible (2) months after the assault. I felt like I WAS being set-up for failure again, two ways?

① Placed back in the pod Skylab-HD with my assualter.

② There should have been an incompatible placed on myself the same day I was flown to the hospital. Why did it take 2 full months, after constant request to place incompatibles on us??

DESCRIPTION OF PROBLEM:

3#  
Vanderbilt Hospital. I was stabbed in places where doctors say he tried to murder me. I almost lost my life because of lack of security at this prison. I fear for my life to even be at the same prison with this man. Yet this man is in the same pod with me. Any freak incident could happen in this pod where he could finish the job of murdering me. I need to be moved away from this inmate as soon as possible. This violates my rights concerning my safety. There should be incompatibles on us both. I thought I was on protected custody. Why am I in the pod with a man who tried to kill me just a couple of weeks ago?

IN Order to Establish AN Eighth Amendment CLAIM, AN INMATE must satisfy A Two-prong test:

(1). I Advised the yard supervisor ON MAY 5, 2016 at approx. 3:00p.m. in plain view outdoors between the chow hall AND MY unit. I advised the Lt. WARD standing out in the middle of the front yard; I approached him in the middle of the yard AND stated to the yard supervisor Lt. WARD for the day of MAY 5, 2016, that I WAS about to become robbed AND stabbed by A INMATE NAME Bigsbee JR. upon my returning to the unit from chow. But (Lt. WARD) stated tuck your shirt in AND get off (my) grass. Lt. WARD simply ignored my WARNING! I WAS deprived of needed protection.

The deprivation Alleged must be objectively serious;

This deprivation Alleged is objectively serious in its OFFICIAL CAPACITY AND ITS INDIVIDUAL CAPACITY.

I returned to my unit AND WAS ASSAULTED AND robbed in the (middle) of the unit in plain sight to the entire unit, AND C/O to witness this assault. <sup>Milestone</sup> Pelco - Video Video Monitor witnessed the assault too. Lt. WARD exhibited Deliberate Indifference to my safety. Lt. WARD were negligent AND showed obvious reckless disregard, because I advised Lt. WARD of this potential assault, but Lt. WARD KNOWINGLY chose to disregard my plea for protection, AND thereby failed to Act reasonably to protect myself from said Assault! Lt. WARD showed Deliberate - Indifference to my safety under Official AND Individual CAPACITY.

## Demonstrate

CCA/Core Civic- Staff are improperly trained to care for the inmates concerns AND needs! CCA/Core Civic, has the highest rate of Assaults of any prison or facility. The Federal Bureau of Prisons, stated in newspaper Commercial Appeals (Memphis) on December 23, 2016 that work-hour methods were inappropriate with General Correctional Practices. CCA Facility(s) are under staff in Mississippi Facility(s), Adam County. CCA Facility(s) are under staff AND improperly trained to deal with a prisoner's needs of safety and protection! CCA Facility(s) are or fall short of doctors at most Facility(s), AND that is a violation to Health Staff, Ratios Global. CCA Facility(s) are very true inhumane facilities! CCA Policies, wide spread custom; that is practiced through-out CCA's all over the U.S. is A 95% Failure according to myself AND the rest of the United States, including the Federal Bureau. CCA cant even protect their own staff from Assault, murder!!

IN Order to Establish AN Eighth-Amendment Claim, AN INMATE must satisfy A two-prong test:

(1). The deprivation alleged must be objectively serious;

(2). I advised the yard supervisor ON MAY 5, 2016 AT APPROX. 3:00 p.m. in plain view outdoors between the chow hall AND MY UNIT. I advised the Lt. WARD standing out in the middle of the front yard; I approached him in the middle of the yard AND stated to the yard supervisor; Lt. WARD for the day of MAY 5, 2016. I WAS ABOUT to become robbed AND stabbed by A INMATE NAME Bigsbee upon my returning to the unit from chow. But (Lt. WARD) stated tuck your shirt in, AND get off (my) grass. Lt. WARD simply ignored MY WARNING.

This deprivation alleged is objectively serious; in its OFFICIAL CAPACITY AND its INDIVIDUAL CAPACITY.

In Order to Establish an Eighth Amendment Claim, an inmate must satisfy a two-prong test:

(2). The official responsible for the deprivation must have exhibited Deliberate Indifference to the inmate's health or safety.

FARMER v. BRENNAN, 511 U.S. 825, 834, 114 S.Ct. 1970, 1977, 128 L. Ed. 2d 811 (1994).

In Order to Establish AN Eighth Amendment Claim, AN inmate must satisfy A two-prong test:

- (1). The deprivation alleged must be objectively serious;
- (2). The plaintiff WAS deprived of reasonable security before AN assault AND during AN assault. The security of Gemini A-pop WAS deprived of Around the clock security cell door checks.

This deprivation alleged is objectively serious;  
in its Official Capacity AND its Individual Capacity.

In Order To Establish An Eighth Amendment Claim, An inmate must satisfy a two-prong test:

(2). The official responsible for the deprivation must have exhibited Deliberate Indifference to the inmate's health or safety.

Farmer v. Brennan, 511 U.S. 825, 834, 114 S.Ct. 1970, 1977, 128 L. Ed. 2d 811 (1994).

Failure to enter each unit as a Chief of Security to check locks daily; due to regular security tampering locks issues, would be a reason of Deliberate Indifference. Rigged doors have been an ongoing problem for South Central. The "door rigging issues," are so extreme a officer was assaulted in 2014 behind door riggs. Chief of Security knows the extremity of this ongoing problem. But yet he does not make a daily security check in the units. This exhibits Deliberate Indifference, in its Official AND Individual Capacity.
